

A Better Man

© 2015 Will Stanley

It's happened once again, I've let you down
And I'm tempted to pretend
It's not my fault at all, some stupid clown
Set me up for a fall.
But I can see it's finally time, for you to take
A good long look at this guy
Cuz you're starting to find, you might have to make
A move, so I need to to try
To do the best I can
To be a better man.

I wish bravery and integrity
Came naturally to me.
But I hope things will be okay, quite honestly
If I take the easy way.
But now I need to make a break with past transgressions
If I'm going to keep you right here.
And based on your expression, time's my biggest fear
So I need to focus and try
To do the best I can
To be a better man
Cuz a better man
Is what I think I am.

You're the sweetest girl I've ever known, for sure
To avoid a life alone, I'll have to mature.

So give me one more chance, to show you
That I can be what you need.
And whatever your desires, I'll give my all
To meet and exceed
I'll do the best I can
To be a better man
Cuz a better man
Is what I think I am.
I'll be a better man
You'll see a better man...
