

Addicted

© 2016 Will Stanley

I've had trouble, with substance abuse
Whatever I sample, becomes steady use.
But I keep hoping. I've put it all behind
But since you appeared, willpower's disappeared
Can't get you out of my mind.

I've been addicted to drugs, I've been addicted to smoke
I've been addicted to love, which ain't no joke
I've been addicted to food, I've been addicted to booze
But this is the strongest of all.. I'm addicted to you.

If you hear me sniffing, I've just got a cold
If you see me stumble, must be getting old
Cuz I have conquered, every way I got hooked
But I have to say, I need to make you stay
By hook or by crook.

I've been addicted to drugs, I've been addicted to smoke
I've been addicted to love, which ain't no joke
I've been addicted to food, I've been addicted to booze
But this is the strongest of all.. I'm addicted to you.

I admit, I've loved other girls
But never anything like this
I feel it in my bones when we kiss
You're the addiction I won't resist

Who could imagine, love could be so profound
That just your presence, would be my turnaround
Positive addictions don't always last
But when you're with me, I know I'm finally free
Of all that stuff in the past

I've been addicted to drugs, I've been addicted to smoke
I've been addicted to love, which ain't no joke
I've been addicted to food, I've been addicted to booze
But this is the strongest of all.. I'm addicted to you.
