

Fifteen Minutes Of Fame

© 2017 Will Stanley

I don't mind the hard work
Or the people asking what it's worth
It makes me feel
I'm doing something worthwhile
When I write a song they like.....that makes me smile.

Cuz I hope to be
Someone you see on TV
Someone at the very top of the game
And I know my show
Will never be the same
When I get 15 minutes of fame

I've seen what success can do
It can turn your mood to green from blue
And that's what I want
People cheering at me
And everything I say and do...and sing off key.

Cuz I hope to be
Someone you see on TV
Someone at the very top of the game
And I know my show
Will never be the same
When I've had 15 minutes of fame

Superficial it may be
But it's all I've ever wanted to achieve
Standing in front of a crowd of rabid fans
Watching them sing along and dance.

Instrumental

It makes me feel
I'm doing something worthwhile
When I write a song they like.....that makes me smile.

Cuz I hope to be
Someone you see on TV
Someone at the very top of the game
And I know my show
Will never be the same
When I get 15 minutes of fame
When I've had 15 minutes of fame
My 15 minutes of fame
