

## **\$19.95 (Nineteen Ninety-Five)**

© 2009 Will Stanley

I know you want what I'm selling even though you haven't realized it yet  
When I'm through, with this yelling, it'll be something you have to get  
Watch close as I demonstrate just how handy this little gadget can be  
It'll slice, it'll dice, and it looks so nice, oh how much could it be?

Call the number on your screen, and do it right away  
Specify if you want green or gray  
Though the ads seem a little contrived, please send us \$19.95  
And call that number on your screen, have your credit card handy too  
Cuz in the next ten minutes we'll double what you  
Get when the package arrives, for just a paltry \$19.95

How could you wipe down your counters, or build up muscle, or put up your hair  
Without this super-duper fantastic gizmo you can't buy anywhere  
It's a TV offer that kinda looks impossible, and if it seems to good to be true  
Just return it in the original packaging, and we'll send your dough back to you.

Dial the number on your screen, add shipping and it's on its way  
Still your purchase won't arrive before next May  
You're just gonna have to survive, without your \$19.95  
So call that number on your screen, have your credit card ready too  
Cuz in the next ten minutes we'll throw in for you  
Something I can barely describe, for just a measly \$19.95

Bridge: Don't tell me it's something you can live without  
If that were true, I wouldn't have to jabber and shout.

You must buy the item on your screen, and please don't hesitate  
In the blink of an eye it might go away  
And without it, you'll feel deprived, for the lack of \$19.95  
So call the number on your screen, or find us on the internet  
Even if you have to go into debt  
Think of the thrill, when it finally arrives, and it's only \$19.95
