

# Once Upon A Time

© 2013 Will Stanley

A bright blue sky, a summer's day  
I feel the breeze, and sail away  
A sweet young girl, on a blanket with me  
Staring in her eyes, and trying to see  
What was going on in her soul  
Trying to keep control.

Those were the days, the days I'll never forget  
Doing crazy things I still don't regret  
I don't know why we drifted apart  
But I know my heart still thrills  
That she was mine  
Once upon a time.

The three Amigos on their bikes  
Playing ball and flying kites  
We knew that town, like the back of our hand  
Always hatching schemes and making plans  
How to get the key to the gym  
So we could get in.

Those were the days, the days I'll never forget  
Doing stupid things I still don't regret  
I don't know why they faded away  
But I hope they always stay  
Fresh in my mind.  
Like it was once upon a time.

Why does life always change  
Why can't things stay the same  
Why these memories lodged in my mind  
I wish that I could return  
I wish that I had never learned  
That dreaded phrase Once Upon A Time.

Hope against hope, she'll return my glance  
Could it be the start of a big romance  
Will she be the girl I'll adore  
Forever more.

Those were the days, the days I'll never forget  
Doing sexy things I'll never forget  
Too bad our passion faded away  
Still I hope she always stays  
Fresh in my mind  
Cuz it was Once Upon A Time.
