

# **That's A Whole Nother Thing**

© 2012 Will Stanley

You ask if you can drive my pickup truck  
I say okay, cuz you're a girl I think I can trust  
You wanna borrow my smart phone  
And my Spanish tapes from Rosetta Stone  
I'm a little shocked, but I admire your pluck.

I'll let you use my fishin' pole  
Even throw my Satchel Paige signed baseball  
I 'spose you can gas up my chain saw  
But if you're lookin' for a ring, that's a whole nother thing.

I take you out to dinner once a week  
And I buy you roses and candy, and that ain't cheap  
I want you to have the things you like  
Cuz I'm the kind of guy who does things right  
But somehow I sense we're entering mission creep.

I'd do most anything for you  
Including let you try some of my homebrew  
Girls like you may be seldom and few  
But if you think that means a ring, that's a whole nother thing.

I guess I'm not the marrying kind  
So if that's important to you,  
It's time to say bye-bye.

Instrumental

Just because we have a real good time  
And you treat my stuff like it's yours and mine  
I need to give you this guideline/Don't go imposin' some deadline  
Cuz if you're thinkin' ring, that's a whole nother thing.
