A is for adultery, but why is it adult to cheat  
That's a start, and here's the rest, but it won't make me teacher's pet  
B is for our bedroom, it's where you had your tryst  
C is for our car, where first you hugged and kissed  
Now I've said my A B C's, the A B C's of you and your deceit

D represents the diamond ring I found, fallen from your pocket and lying on the ground  
E is for the email I possess, that you sent to the wrong address  
F's for fornication, I know that's what you did  
G stands for God, from whom nothing can be hid  
I've learned them well, those A B C's, the A B C's of you and your deceit

Sometimes I wish that I couldn't write or read  
Especially when I got that email spelling out your misdeeds

H is for hopeless, I'll continue to get burned  
I is for idiot, cuz I guess I'll never learn  
Now I've said my A B C's, the A B C's of you and your deceit  
Now I've said my A B C's, the A B C's of you and your deceit.
