

The Difference Between Love And Lust

© 2013 Will Stanley

Johnny called me up, I asked what was going on
He just needed a shoulder that he could cry on
He claimed he'd like to find a girl to call his own
One that he could marry and start a nice home
When we talked about the girls he'd met, he began to loosen up
I started to figure out, what might be the rub
Johnny's issue was not unheard of

Johnny cried, cuz he was nonplussed
Didn't know why, his love life's a bust
He couldn't see, what was obvious
He couldn't tell the difference between love and lust
Johnny couldn't tell the difference between love and lust

Mary was the kind of girl, guys loved to date
No matter what the plans were, it always turned out great
It might start out with dinner, and then kickin' up your heels
But by the end, it was real hot deal.
She couldn't figure out, why she couldn't land a guy
Since she always gave them, the sun, moon and sky
But no one would stay and she didn't know why.

Mary wondered who could she trust
When a new guy appeared, she would make a big fuss
It made her nuts that love was a bust
She couldn't tell the difference between love and lust.
Mary couldn't tell the difference between love and lust.

Keeping things straight is the key to success
Relationships can't be made with just good sex.

Instrumental

So if true love's what you're lookin' for just remember this
It takes more good lovin' for marital bliss.
Here are some tips to add to your list:

Find a lover that you can trust
Someone who'll support you without making a fuss
And even if it seems quite obvious
You gotta know the difference between love and lust
Cuz there's a big difference between love and lust
A bona fide difference between love and lust
And you gotta know the difference between love and lust.
