

Those Goo-Goo Eyes

© 2011 Will Stanley

I love the feeling of success
And accomplishment
When my head gets filled with compliments
But I know that I've been truly blessed
And get the grand prize
When you look at me with those goo-goo eyes.

Oh what a wonderful feeling
Just one loving look from you
Sets my heart a-reeling

Amazing how much can be expressed
In one of your sighs
When accompanied by those goo-goo eyes.

Instrumental

I don't know if I'm deserving
Of this feeling of total love
Your eyes are serving.

How can a man like me resist
Just giving in
To every wish you mention
Cuz one thing I couldn't stand to miss
As I live my life
Is staring into those goo-goo eyes.
I love gazing into those goo-goo eyes.
When you look at me with those goo-goo eyes.
